No 119 VE

Ref: Your communication dated 19/4/50
Memorandum No.CAES.2.974/5 ,19-5-50

Sir,

I regret very much at your negative reply to my application for the hire-purchase of the 16 H.P. Lester Oil Engine. You are aware that the above pumping unit has been with me on hire for the last six months and has been of immense value in the 'Grow More Food' Drive' which I have undertaken and which I have successfully carried out to some extent. You must be having very satisfactory reports about my work from the local Agricultural authorities.

I have got about 45 acres of cultivable lands for which there is ample fresh water which can be served by the help of this Pumping Unit from the river Netravathi. Under the circumstances when my work is halfway primarily due to the utility of this particular pumping unit, it would be not only a disappointment to me but the entire scheme of Food Drive undertaken by me will go to nothing. Therefore I am once more earnestly urging you to kindly reconsider and give the same pumping unit on hire-purchase system in appreciation of my work so far done.

You will please note, Sir, that if you are encouraging a person like me, it will go a long way in popularising the Food Production Drive and ere long you will see quite a good lot of other ryots

coming forward to avail themselves of such modern pumping units.

I trust that you will be good enough to grant me this particular 16 H.P.Lister OilEngine on hire-purchase and encourage an enthusiastic and zealous worker like my humble self.

Awaiting favourable orders.

Thanking you, Sir,

Yours faithfully,

Sd. B. Subbaya Hegde

No.CAES-2-974/50 dated 26/6/50

SIR,

SUB: AGRICULTURE - Grow More Food - Central Agricultural Engineering stores and servicing centre - sale of departmental engines on hire purchase system - sanction requested -

Ref: 1. G.O. 2447-Development dated 9/5/49
2. This office letter CAES 997/50 dated 27/5/50

.....

One departmental 16 H.P Lister engine was hired out to Sri B.Subbayya Hegde, Yekkani village, Mangalore taluk for irrigation purposes. The pumpset has been with this gentleman for the past six months on hire and he has been making the best use of the engine in cultivating his lands 45 acres in extent. Now the party wants to purchase this engine on hire purchase system in view of of its satisfactory work and the necessity to keep the engine all the year round. He wants only this engine and is willing to pay the cost that the department may ultimately fix. This engine is only from the old departmental stock of 10, 16 H.P Lister engines purchased with reference to G.O . 1801 Development dated 2/4/49 and does not form a fresh purchase involving any additional expenditure to Government. Hence I request that sanction may kindly be accorded for the sale of this departmental engine costing Rs. 6060/-. to Sri Subbayya Hegde on hire purchase sytem.

2. In this connection it is submitted that this engine forms part of the 100 units of which 25% was permitted to be sold for outright cash in G.O. 419 Food and Agriculture dated 10/3/50.

No.CAES.2. 974/50 dated 14-7-50

20392

Sir,

Sub: Agriculture- Land Reclamation - Oil engines - sale on hire purchase system

Ref: Government of Madras Food and Agriculture Department Memorandum FP.III 17585/50-1 dated 1-7-50

The 16 HP. lister engine referred to by the petitioner is already in his possession, as it was issued to him for hire. He wanted to purchase this engine on hire purchase system. Hence Government was addressed in this office letter CAES.2. 974/50 dated 26-6-50 for selling the engine referred to above under hire purchase system to this petitioner. Orders of Government are awaited.
